### What Makes Ivy Hall Great, by Gus Petersen (4<sup>th</sup> grade)

Ivy Hall has some of the best teachers around because they teach subjects that are a grade higher. It makes you smarter to learn up. My favorite subject is Math.

Those great teachers take us on amazing field trips like to the museum and Story Telling Festival. This week we even went to Tehya's house to swim.

We play fun games at recess like Ultimate Capture the Flag. Everyone likes to play it together.

Lastly, we have a great principal who teaches us great habits.

### Thanks to Pestanas!, by Teagan Rasmussen (6<sup>th</sup> grade)

I am going to write an article on John and Heidi Pestana. I would like to thank them for the new basketball court, the wood chips, all new computers, the speakers in the gym, the cleaned up landscape and everything. They have been very generous in making our school so nice.

My brother Jagger from 3<sup>rd</sup> grade says, "I am grateful for the basketball court and computers, too. The basketball court is really nice and I am grateful for that. The computers are my favorite brand. Thank you John and Heidi Pestana for making a better education at Ivy Hall!"

### What Makes Ivy Hall Academy a Great School, by Thomas Jensen (4<sup>th</sup> grade)

Ivy Hall has great teachers. They are really kind and helpful. The teachers are always there to help with any problem. Andrew Mitton thinks that all the

teachers here are fun. If you ask the students here, I think many of them would tell you that art is their favorite subject. One of the reasons for this is because our teachers are passionate about the arts. I like art AND science the most.

Ivy Hall Academy is Great! by Jordan Moss (4<sup>th</sup> grade)

There are three things that make Ivy Hall Academy great. First, I think the teachers are really nice. The teachers take us on field trips, play games with us, and sometimes let us have extra recess. I'm glad that we have more time for math than I had in other grades. Second, I have made really close friends. And they are amazing! Third, I love Fast Food Friday. My favorite is when they give out Capri Suns. Ivy Hall is a great school. I am glad I go there. I am happy that Ivy Hall has nice teachers, awesome friends, and Fast Food Friday. Thank you!
